Change in Hours

Dear Ms. Bendickson,

As you are aware, under the Third Stipulated Amended Order for Abatement (S/O), we are required to hire an independent Environmental Monitor (IEM) to perform certain duties as required by the S/O. The S/O requires us to assign an IEM to be on duty seven days a week. Brown and Caldwell is the firm we hired to perform the duties of the IEM.

By letter dated September 11, 2012, I informed you of the IEM's schedule and also stated that you would be notified within one week if the IEM's schedule changed. This letter is to inform you that on December 10, 2012, the IEM schedule was revised as follows:

Monday – Friday 4 PM – 8PM

The IEM hours for Saturday and Sunday have not changed and are as follows:

Saturday 8 AM – 12 PM
Sunday 7 PM – 11 PM

As we agreed, if this schedule changes, I will notify you within one week to keep you informed.

Please do not hesitate to contact me at pcosta@republicservices.com or (818) 362-2075 if you have any questions regarding this submittal.

Sincerely,

Patti K. Costa, P.E.
Environmental Manager
