Hi Jessica:

Sorry but I am confused. The District Supervisor representative's attendance has never been contingent upon whether or not "appropriate County department experts have been recruited to attend this meeting". I am afraid the Public Works Deputy is mistaken. Further, there is no guarantee that all agencies will show up.

For the SCL-CAC, we believe that it is incumbent upon District 3 having a representative present so that they can hear the issues with the landfill for themselves, and also to be able to address the public who are also in attendance. They want to know that their new Supervisor is look out for them.

Again, respectfully, we would appreciate the 3rd District having a representative present for the Zoom meeting.

Please let me know who that might be.

Regards,

Wayde Hunter
Chair SCL-CAC

Good afternoon Wayde,

I hope all is well. I was informed by our Public Works Deputy that all the appropriate county department experts have been recruited to attend this meeting. Therefore, our office will not be in attendance.

Hi Jessica & Brenda:

Just a reminder that we need to have somebody from Sheila's office to represent the 3rd District and currently I am unaware of who you eventually decided to have in attendance since the landfill is not in Sylmar (mailing address only) but in Granada Hills in the San Fernando Valley.

Hi Chris:

Thanks for the information.

The CAC submitted a letter and has been in telephone contact with her office after making a request for attendance along with information regarding 2023 appointments.

We were also told that they would have one of the staff attending the May meeting and that they would be alternating between at least two of them.

I have added the included emails to my distribution list.

So, again, thank you for the information.

Regards,

Wayde

Hi Wayde,

We met with Maria Castillo and Sophie Freeman of Supervisors' Kuehl's office recently. Although they are unsure if they will be able to attend the CAC Meetings, they have asked to be put on the distribution list for the agenda and any other collateral you send out in regards to the CAC.

Can you please include them going forward?

Unfortunately, I will be out of town Tuesday and Wednesday, and of course I am tied up on Thursday prepping for and conducting the meeting.

Would Friday, March 11th work for you at 11:00 a.m. or 2 p.m.?

If not, Tuesday, March 15th will work also for me, and at the same times at 11:00 a.m. or 2 p.m.?

Please let me know which day and time works best for you as my schedule is open on both of those days, and I can meet at any hour if those don't work.

If none of the above, give me your best shot, and I will see if I can fit it in.
