Mr. Wade Hunter
Chair
Sunshine Canyon Landfill Community Advisory Committee
16911 San Fernando Mission Blvd., Box 412
Granada Hills, CA 91344

Dear Mr. Hunter:

Thank you for your letter expressing your concerns regarding the Sunshine Canyon Landfill Community Advisory Committee (SCL-CAC) and the use of the space at Knollwood Country Club. I can understand your frustration and the difficulties you are facing in scheduling Advisory Committee meetings within the budget of the organization.

By copy of this letter, I am forwarding your concerns to American Golf Corporation for their review and consideration, especially given the important work of SCL-CAC to support the local community and the need to utilize a suitable meeting space.

I am also forwarding your concerns to the Department of Public Works and requesting the Director to reach out to the Committee to discuss additional options including opportunities to amend the Memorandum of Understanding between SCL-CAC and Republic Services and/or alternative meeting space in the surrounding areas.

Finally, I am forwarding your concerns with this correspondence to Supervisor Lindsey Horvath for her review and consideration since Sunshine Canyon Landfill is now in the Third Supervisorial District.

Thank you, again, for your letter and for granting me an opportunity to respond to your concerns.

Sincerely,

KATHRYN BARGER
Supervisor, Fifth District
