**Subject:** Sunshine Canyon Landfill - May 2023 Facility and Plan Review Subcommittee Request

Hello Nicholas,

During the June 15, 2023 Facility and Plan Review Subcommittee (FPRS) Meeting, the subcommittee requested Staff to gather input from the community interest groups and local schools in response to the South Coast Air Quality Management District (AQMD)'s letter dated June 1, 2023 (attached). Attached for your consideration are the inputs received from those entities. Please note we have not received comments from the Los Angeles Unified School District on behalf of Van Gogh Elementary School. However, we will forward their comments once received.

For background information on the FPRS and its role, please access this [link](#).

Thank you,

Anna Gov
